The late league plays late league

## Start Times

Early League may tee off between 1-330

The late league may tee off between 230-430

*Late league, you may not tee off before 230 without permission from the league director.  
No starting on the back nine without permission from the league director.*

*Save The Date*

**Practice Round & League Info. Meeting on April 20th  
League Play begins on April 27th.**

## Rules

League play is in accordance with the USGA Rules of Golf (The ball will be played down unless the director determines otherwise)

If a rules question arises during play, then play a second ball and the rules committee will make a ruling as soon as possible

Matches must be played on designated league night; if your match cannot be played that night then you must first notify the league director of such change.

scottgolfa@hotmail.com

Matches must be made up within two weeks of the regularly scheduled match (except playoffs)

Teams may do a match of cards provided all parties are in agreement and they have checked with the league director (We strongly discourage this, as the whole point of the league is head-to-head competition and to bring business to the club on league nights, please use this as a last resort)

**In the event of a “walkover” (other team does not show, your team must still play 18 Holes - your team will automatically be rewarded 4 points with the remaining points going to a Match of cards (Random draw)**

In the event of rain, if four matches have been completed and the course is then closed this will count as an official week, the remaining teams will have two weeks to get together and make up their matches. (skins, ctp, etc money will not be valid that night and will carry over to the next week)

18 and over age requirement

## Handicap

Players will stroke off low handicap of group, players will receive 80% of trend handicap

Scorecards will be marked with appropriate strokes

The Pro Shop will post all scores

Equitable Stroke Control will be used (max score on any hole is net 6)

# Scoring

A total of 8 points can be earned per match

Holes 1-6 2 points (better-ball net)

Holes 7-12 2 points (better-ball net)

Holes 13-18 2 points (better-ball net)

Total Team Net 2 points

If a series of holes is tied, each team will receive one point

Optional Skins and CTPs each week (Cash Payout)

**\*\*\* Your scorecard must be marked with the appropriate points/winner. It is your responsibility to ensure the scorecard is complete and correct.**

**Birdies/Ace must be CIRCLED on the card. If they are not you are susceptible to missing out on a Skin.**

## Substitutes

Teams can have up to one substitute/One player from the team must be present

Subs must have a valid SPG&S handicap and be on the approved list

Sublist is available thru the pro shop, or contact the League Director

## Playoffs

The top 8 teams from each league will make the playoffs.

The Early League champions will face off against the Late League champions for the overall Wednesday Night Men's championship (Defending Champions Dave

Mescall/Roland L.)

Substitutes may be used during the playoffs provided they are from the approved substitute list and the League Director has been notified.

**Pace of Play: Teams are subject to point deductions if the League Director determines they are playing at a pace not equal to the rest of the field. Teams will receive one warning and then a 2-point deduction will follow.**

**Remember have fun but please keep up with the group ahead or play in 2 hrs. 45 minutes**
